

Chemung River Greenway Feasibility Study

Share your thoughts on connecting Corning and Elmira with a multi-use trail!

Three Rivers Development Foundation is excited to extend the opportunity for community engagement through our online platforms for the development of the Chemung River Greenway, a potential multi-use trail connecting Corning to Elmira.

To help us out, we are asking the community to share their thoughts on the future development of the proposed Chemung River Greenway by taking a short survey and by leaving comments on an online interactive map. Understanding the experiences and interests of community members is vital to creating an actionable study that meets the needs and addresses community concerns.
